

ANNUAL REPORT 2011-12
MSME- Development Institute, HYDERABAD

About MSME – DI, Hyderabad:

MSME- Development Institute, Hyderabad was established in the year 1956, as a field Institute of the Small Industries Development Organization (SIDO), with an objective to provide much needed consultancy and support to the small scale industrial sector. In Andhra Pradesh, MSME-DI, Hyderabad was the pioneer industrial consultancy organization. The Institute is dedicated to provide need based support to Micro and small scale entrepreneurs by providing various essential inputs like technical counseling regarding selection of product location, raw materials, machinery, layout, and product process, managerial consultancy, etc. The Institute also helps Micro & Small scale Enterprises (MSEs) by imparting knowledge on new practices like modernization, technology upgradation, acquiring international quality systems, energy conservation, pollution control etc. MSME-DI implements the Ministry of MSME, GoI schemes in the state of Andhra Pradesh by spreading awareness about the schemes and identifying suitable beneficiaries.

The entrepreneurship and skill development training programmes organized by MSME-DI, Hyderabad are rated as one of the best in the State, as they encompass all aspects of starting and managing a small scale unit. The Entrepreneurship cum Skill Development Programmes (ESDP), Entrepreneurship Development Programmes(EDP), Management Development Programmes(MDP), and the Skill Development Programmes (SDP) focus on developing and sharpening the entrepreneurial, managerial and technical skills of the existing or prospective entrepreneur.

MSME - DI, Hyderabad is ably supported by its Branch Institute located at Visakhapatnam. The branch Institute's jurisdiction is over the five districts of North Coastal Andhra, namely, Srikakulam, Vizianagaram, Visakhapatnam, East Godavari and West Godavari .

The MSME Testing Station, (MSME - TS), located strategically in Sanatnagar Industrial Estate, Hyderabad, functions under the administrative control of MSME –DI Hyderabad. It provides testing facilities for MSEs in the areas of physical testing,

chemical analysis, etc. It provides consultancy services to MSEs on quality control and standardization procedures and systems testing to national and international standards, and provides third party assurance for products and services from MSME sector on quality levels to major buyers like Government Departments, DGS&D, Railways, PSUs, Defence establishments, etc. The testing center has been upgraded with the addition of sophisticated testing equipment.
