Opportunities:

1. *Promotion of Handicrafts:* Increased demand for eco-friendly and handmade products globally. Government support schemes like ODOP (One District One Product) can boost handicraft exports.
2. *Agro-Processing Units:* Establishing export-oriented cotton ginning, rice mills, maize/turmeric based units and soybean oil extraction units would provide opportunity to increase exports.
3. *Technology Adoption:* Leveraging e-commerce platforms like Amazon and Flipkart for global sales of handicrafts. Use of digital tools to train artisans and farmers in global best practices.

Best practices in Telangana

i. Telangana State Industrial Project Approval and Self-Certification System (TG-iPASS):
- The key-strategy of the industrial policy is "Minimum Inspection - Maximum Facilitation"
- First state in the country to enact TG-iPASS act to provide speedy clearances
- End-to-end online system – No physical touch point
- Common Application form for all departments reducing the number of enclosures (reduced from 110-10)
- Bestowing the **right to the investor** for a time-bound clearance
- 15-day clearances for mega projects and 30-day clearance for other projects: **shortest in the country**
- Deemed to be approved on 16th day or 31st day
- Only state that allows **automatic approvals** based on self-certification
- No need to wait for a prior permission even for a day to get your operations running
- State holds itself **accountable for delays**
- Penalty will be levied on the government official causing the delay
- No inspections for pre-establishment approvals

ii. Labour Reforms

- Elimination of the requirement of renewal of registrations/licenses by allowing of auto-renewal system wherever possible across the departments.
- Introduction of Central Inspection System (CIS), which allows computer-based allocation of Industries/Factories/Establishments based on risk category.
- Exemption from inspections was introduced wherever the risk factor is low.
- Introduction of Third-party Certification system by empanelling agencies.
- Introduced online single integrated returns filing system for labour laws applicable in the State/UT

iii. Pollution Control Board

- Exemption to green industries for any inspections has been put in place. Further, renewal period has been increased from 1 year to 5 years through auto renewal mode.
- Third party certification to medium risk industries and self-certification to low risk industries has been introduced.
- Agencies/Institutes are empanelled for third party certification for orange category of industries instead of departmental inspection.

iv. Commercial disputes

- Setting up of two dedicated commercial courts for resolving commercial disputes.
- Introduction of Paperless court module in the commercial courts with features such as e-filing, e-summons, e-payments, e-Cause list and digitally signed certificates of court orders.

- Statistical data regarding the number of suits, applications and appeals along with the pendency details is updated and published every month.

v. Land Administration

- Complete digitization of land records
- Created India's Largest Industrial Land Bank
- Developed a GIS based mapping system to provide details about the land earmarked for industrial with details of all infrastructure facilities available.
- Introduced plug and play option for promoting sectoral investments of land earmarked for industrial purpose is being proposed.
- Enacted Telangana Rights in Land and Pattadar pass Books Act, 2020 and Telangana Municipal Laws (Amendment) Act 2020 to streamline land records and registrations in the State. To implement these Acts, "Dharani", an online system for all matters related to lands, agricultural, residential and commercial properties in urban and rural areas is introduced

vi. Reducing the Regulatory compliance burden in the state

- To further simply business approvals and processes, nearly 1278 compliance burden provisions were simplified or eliminated. In addition, around 1000 compliance reduction measures have been identified which are being evaluated for implementation in the State.

vii. Innovative institutions

- **T-Hub:** World's largest incubator ecosystem; actively working with 2000+ national and international startups raising funding of $1.94 Bn
- **T-Works:** Aims to provide services such as IP facilitation, Product design, rapid prototyping and component sourcing. This center has emerged as one of the largest Prototyping facilities in the country.
