ANNUAL REPORT 2017-18

MSME- Development Institute, HYDERABAD

About MSME – DI, Hyderabad:

MSME- Development Institute, Hyderabad formerly known as Small Industries Service Institute (SISI) was established in the year 1956, as a field Institute of the Small Industries Development Organization (SIDO), with an objective to provide much needed consultancy and support to the small scale industrial sector. In Andhra Pradesh & Telangana, MSME-DI, Hyderabad was the pioneer industrial consultancy organization. The Institute is dedicated to provide need based support to Micro, Small and Medium scale entrepreneurs by providing various essential inputs like technical counseling regarding selection of product, location, raw materials, machinery, layout, and production process, managerial consultancy, etc. The Institute also helps Micro & Small scale Enterprises (MSEs) by imparting knowledge on new practices like modernization, technology upgradation, acquiring international quality systems, energy conservation, pollution control etc. MSME-DI implements the Ministry of MSME, Govt of India schemes in the states of Andhra Pradesh & Telangana by spreading awareness about the schemes and identifying suitable beneficiaries.

The Entrepreneurship and Skill Development training programmes organized by MSME-DI, Hyderabad are rated as one of the best in these States, as they encompass all aspects of starting and managing an MSME. The Entrepreneurship cum Skill Development Programmes (ESDP), Entrepreneurship Development Programmes(EDP), Management Development

Programmes(MDP), and the Skill Development Programmes (SDP) focus on developing and sharpening the entrepreneurial, managerial and technical skills of the existing or prospective entrepreneur.

MSME - DI, Hyderabad is ably supported by its Branch Institute located at Visakhapatnam. The Branch Institute's jurisdiction is over the five districts of North Coastal Andhra, namely, Srikakulam, Vizianagaram, Visakhapatnam, East Godavari and West Godavari of Andhra Pradesh .

The MSME Testing Station, (MSME - TS), located strategically in Sanatnagar Industrial Estate, Hyderabad, functions under the administrative control of MSME –DI Hyderabad. It provides testing facilities for MSMEs in the areas of physical testing, chemical analysis, etc. It provides consultancy services to MSMEs on quality control and standardization procedures and systems testing to national and international standards, and provides third party assurance for products and services from MSME sector on quality levels to major buyers like Government Departments, DGS&D, Railways, PSUs, Defence establishments, etc. The testing center has been upgraded with the addition of sophisticated testing equipment.

Brief Profile of Andhra Pradesh & Telangana:

Andhra Pradesh & Telangana are situated in Southern Indian. Andhra Pradesh constitutes of 13 districts and Telangana constitutes 31 districts. These States are blessed with good natural resources - a long coastline of 961 kms, fertile soils, perennial rivers

(Krishna, Godavari and Pennar), rich mineral deposits, a good climate, and human resources in AP & Hyderabad, the capital of Telangana houses many national level research institutions. Many central and state level Public Sector Undertakings are located in these states. In the large scale sector, these states have made progress in the Steel, Coal, Mining (Granite, Dolomite, Felspar, Quartz), Cement, Paper, Sugar, Fertilizers, Pharmaceutical, and textile industry. During the past two decades, the united State has become a front runner in the Information Technology and enabled services, Bio-technology and Bulk drugs industry. The district-wise concentration of industry in these states are depicted in the map given below. With the state bifurcation in the offing, changes in the geo-political map of the state will be witnessed.
