From the AIA's Desk ...

It is my privilege to release the first edition of Quarterly e-Newsletter of MSME- Development Institute, Hyderabad. The main purpose of the news letter is to bring awareness about the role of MSME-DI, Hyderabad in helping budding and existing entrepreneurs to establish themselves, sustain and grow in their pursuit of establishing their enterprises. The news letter mainly focuses on the awareness created by MSME-DI on the opportunities available to MSMEs through central government and other promotional agencies.

As is well known, the MSME Sector, being the pillar of economic growth of our country, apart from contributing significantly to the national income, is bestowed with a social objective and plays a prominent role in creating employment opportunities, scaling manufacturing capabilities, balancing the distribution of wealth and contributing to the GDP. With the publication of e-Newsletter, this institute would be able to activate its network to reach out and disseminate information on the activities of MSME-DI to all MSMEs

I take the pleasure of complementing the team of officers, for their initiative and for their contribution in bringing out the first quarterly edition of e-Newsletter of MSME-DI, Hyderabad
